SENDS \$10 CHECK FOR

NORWICH BOY SCOUTS

James L. Crawford, campaign director of the Boy Scout drive, received a check for \$10 Tuesday from Charles F. Noyes of New York, formerly of this city. In the letter that accompanied the contribution Mr. Noyes said that while he had made a contribution to the Boy Scout movement in New York, and his daughter had done considerable work for the Girl Scouts, he was glad to make a contribution to the local drive. Mr. Noyes also said the matter of a contribution before the Norwich society in New York at the annual meeting Monday night.

STOMACH SO BAD HE HAD TO GIVE UP JOB

But Mr. Myers has his old job back now, and has gained 30 pounds.

"Over a year ago my health got so bad I had to give up my work as coal miner. Had a very bad case of stomach trouble. I felt so bad that I could not eat anything, and therefore was too weak to work. I had been doctoring for a long time, but did not improve any."

Finally started to take Milk Emulsion and then went to a farm near here to work. I carried my Emulsion bottle with me all the time, took it regularly and gained in strength and flesh every day, and was able to work the entire season through on the farm, and now I am back at my work in the Greenfield coal mine.

When I started taking Milk Emulsion I weighed 150 and am now 180, and as I ever was—Lem Myers, Virgil, Ind.

Thousands of men who have suffered from stomach trouble, indigestion, flatulency, have found relief, almost from the first dose of Milk Emulsion. And it is really a lasting benefit.

Milk Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, ridges away with all acid of bile and phlegm, promotes appetite and quickly puts the digestive organs in shape to assimilate food, as a builder of flesh and strength. Milk Emulsion is strongly recommended to those whose stomachs are weak.

This is the only solid emulsion made, and so reliable that it is eaten with a spoon like ice cream.

No matter how severe your case, you are urged to try Milk Emulsion under this guarantee: "Take six bottles home with you, use it according to directions, and if not satisfied with the results, your money will be promptly refunded. Price 50c and 1.50 per bottle. The Milk Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere."

NORWICH MEN IN NEW YORK ENJOY BEAN AND CIDER AT THEIR BANQUET

(Special to The Bulletin.)

New York, Dec. 15.—The Norwich Society of New York held its annual banquet at the University club, 54th street and Fifth avenue, New York, Monday evening, December 12th. There were forty-three present. The committee who were Edward E. Day, Arthur C. Williams, Howard C. Russ, Frank L. Potter, Wm. T. McNamara, F. Le Roy Stearns and George H. Hyde, arranged one of the most successful banquets ever held in New York. The menu was a superb one, including a variety of meats, both white and kidney, with plenty of fat salt pork baked with beans, also razor back ham, which President Stearns said was the best he had ever eaten. The regular Saturday night supper at old Norwich and there was plenty of coffee left but none of the food. Elder Judge John H. Barnes came down from Norwich and addressed the society.

The judge said he came down from the head of sloop navigation on the Thames and that a good many people came up there now a days as they heard that there was a little agitation now going on in Norwich about cleaning up the illicit stills and several recently been raided. Norwich is now a real clean city and it is safe at any time of the night to go through Scamling Town. The Rev. Mr. Stearns gave an interesting talk on friendship which was listened to with interest by all the members. He said the bean supper lasted late some he had attended at some of the Norwich church bean suppers which he always enjoyed.

Francis P. Bent, a former Norwich boy who gave a talk on New York city affairs. Mr. Bent is the director of investigations for the City of New York. This is a very responsible position as the mayor's first appointment is made by him. Mr. Bent has been elected alderman for several terms. He is a personal friend of Mayor Hylan. He is another very first acquaintance of the city. Mr. Bent made when he came to New York from Norwich. At that time, the New York mayor was practicing law in New York. Mr. Bent was doing his best to serve the people and was standing out for what he thought was right.

Through the courtesy of Dr. J. M. Perrin, director of the Associated Producers, Inc., the members then went in automobiles to this studio at 220 West 42nd street, where they were given a private feature showing of the film "The Last of the Mohicans." This was a very interesting film, showing the Indian life with many Indian battles that the early settlers had to fight. One of the Chief Indians played the principal part and was very convincing.

The following scenes and plenty of action throughout the film. It was thoroughly enjoyed by the members and they all said the entire evening was one of the best the Norwich society had given.

Those present were: Edward C. Russell, John H. Barnes, Charles P. Noyes, Russell, William C. Carter, Frank Huntington, O. Chester Johnson, Wm. McNamara, Samuel H. Howe, James W. Farrell, Hugh F. Perrin, Wm. L. Post, M. D. Roberts, Albert S. Bard, Marco S. Parker, Fred B. Lewis, James H. Alberson, Reginald Reynolds, Arthur P. McWilliams, Howard C. Russ, and Francis P. Bent, Winthrop T. Williams.

Judge Barnes Speaks

In the course of his remarks, Judge Barnes said that he intended to talk on the subject of Friendship and he spoke of the old saying, "A friend in need is a friend indeed." He said that he was a friend of the Norwich society and he was a friend of the Norwich society and he was a friend of the Norwich society.
